

HOME WORKOUTS (NO EQUIPMENT)

MY WORKOUT ROUTINE

AWWVAL FITNESS

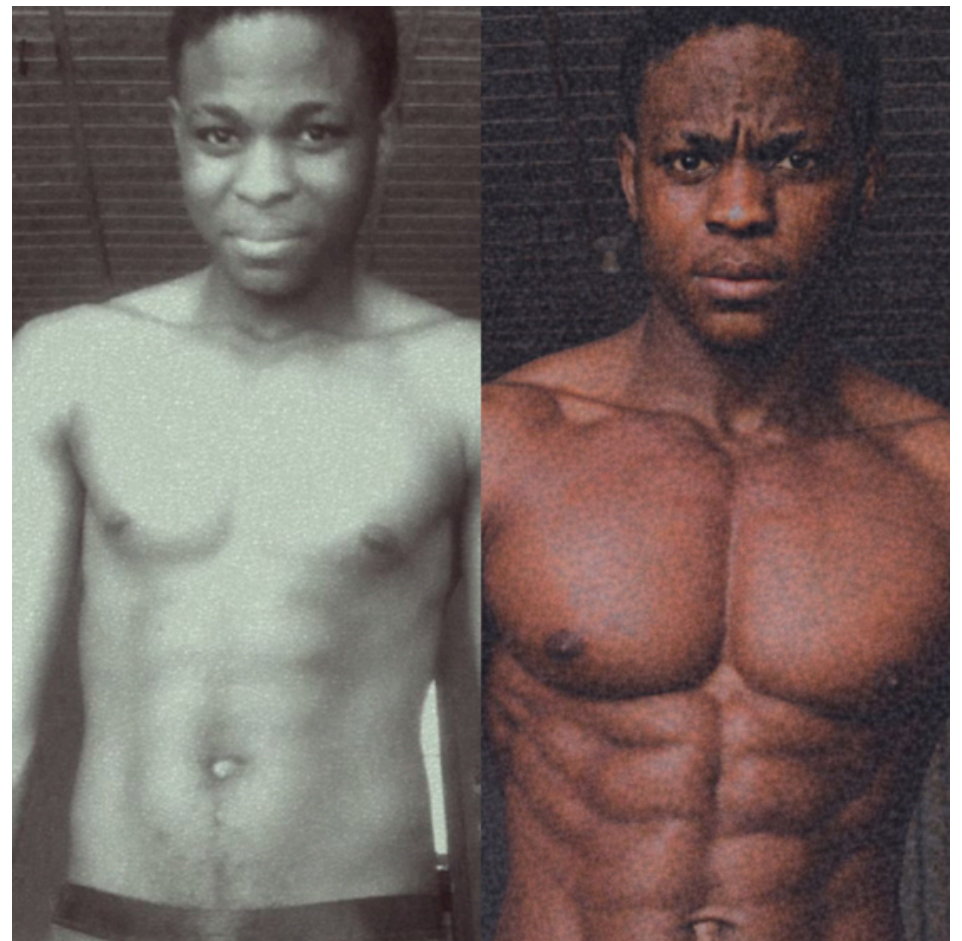

THE REALITY CHECK

I'M GIVING YOU THIS FOR FREE BECAUSE I WANT YOU TO WIN. BUT A MAP IS USELESS IF YOU DON'T DRIVE THE CAR.

CONSISTENCY IS THE ONLY "HACK." RESULTS DON'T COME FROM THE WORKOUT YOU DO ONCE; THEY COME FROM THE WORKOUT YOU DO WHEN YOU'RE TIRED AND DON'T FEEL LIKE IT.

THE TRUTH: KNOWING WHAT TO DO IS ONLY 10% OF THE BATTLE. ACTUALLY DOING IT IS THE OTHER 90%.

This PDF gives you the moves. My coaching gives you the certainty that you aren't wasting your time. I provide the accountability to ensure you never miss a set and the strategy to ensure you never hit a plateau.

You can use this guide alone and hope for progress. Or, you can work with me and guarantee the result.

RULES

1. work every set till FAILURE!
2. rest 2-4 mins between sets
3. control the movement, use proper form
4. Do not rush the workout, you don't want to get injured
5. Do your warm-ups before each workout
6. Do not eat heavy before the workout!
7. No phones in between sets
8. Do NOT workout hungry!
9. NEVER stick to the same number of reps over a period of time, if your "FAILURE" numbers aren't going up, you're wrong!!
10. watch the videos over and over again. Understand the movement!
11. stay hydrated!

Don't Stop Until You're Done

You have the map. Now, you have to drive.
Most people will read this and do nothing;
winners will read this and start.

The physical work is only half the battle.
The other half is the expert precision, the
real-time form corrections, the plateau-
breaking adjustments, and the elite
nutrition strategy that ensures every drop
of sweat counts.

You can grind alone and hope for the best,
or you can bridge the gap with a
professional who guarantees you get it
right the first time.

Stop guessing. Start winning.
